4. e-Quotations are invited from the Registered contractors of Cochin Port as well as firms specialized in doing Pest control operations as approved by CoPT.
5. The Quotationer shall submit the Quotation Notice, General conditions & Schedule of Quantities of work ‘**Online**’. The name and address of the quotationers shall be necessarily entered in the space provided in the Schedule of Quantities of Work.
6. The Quotationer shall inspect the site before submitting the quotation in order to make them fully aware of the site and its conditions.
7. Clarifications if any required can be obtained by contacting the Asst. Exe. Engineer/ Asst. Engineer of concerned Civil section.
8. The period of contract is 3 months from the date of commencement of the work.
9. The Engineer-in-Charge of the work (Engineer’s Nominee/ Nominee) shall be Exe. Engineer (CM-I).
10. **Water & Electricity**  
**Water:** Water, if required for the work, shall be arranged by the Quotationer at his own cost.  
**Electricity:** The Quotationer shall make his own arrangements for the temporary connection for electricity required, if any, and make necessary payment for it direct to the Department concerned. No payment will be made by the Employer on this account.
11. The rate/percentage quoted shall be excluding Goods & Service Tax (GST).
12. The Quotationer shall have valid GST Registration number. GST as applicable for the work will be paid extra by the Port. The GST applicable as per law can be billed on the Port Trust, which will be paid to the Quotationer by the Board along with the bills, for which the Quotationer shall hold valid GST Registration number.

13. All labour, skilled or unskilled for the work shall be provided by the Quotationer at his own cost and settling any disputes with the labour shall be, Quotationer's responsibility.
14. All care and precautionary measures for avoiding any kind of damage/ accidents in the work site shall be taken by the Quotationer. All safety precautions shall be taken while carrying out the work. The Quotationer shall supply the necessary safety equipments to the workers employed by him and also ensure that they use it, while carrying out the work. The Quotationer shall be solely liable and responsible for accidents if any, occurring during the period of Contract.
15. The work shall be completed without causing any damage to the existing structures/cables etc. In case any damage is caused, the same has to be rectified at Quotationer's risk and cost.
16. The Port will in no way be responsible for any loss/damages caused in connection with the work.
17. The quantities specified in the schedule of quantities of work are only approximate and shall be increased or decreased at the discretion of the Engineer-in-Charge according to actual requirements. Payment will be made as per actual measurements, according to the percentage quoted.
18. Quotations shall be valid for a period of 60 days from the due date of submission of quotation.
19. **Liquidated Damages:** In case of delay in completion of the contract, liquidated damages (L.D) may be levied at the rate of half percent (½%) of the Contract Price per week of delay, subject to a maximum of 10% of the Contract Price. The amount of Liquidated Damages can be adjusted or set-off against any sum payable to the Quotationer.
20. **Security Deposit:** Security deposit @ 5% of Contract Price or value of work done whichever is higher shall be recovered from the Quotationer's bill. The amount towards Security Deposit so deducted will be released to the contractor within 14 days from the date of payment of final bill.
21. **Execution of Agreement:** The successful Quotationer will be required to execute **within 5 days from the date of receipt of work order**, an agreement at his expense on proper value Kerala State Stamp Paper in the prescribed departmental form, consisting of the work order issued to the Quotationer, together with the Quotation submitted by him including General Conditions, for the due and proper fulfilment of the contract.
22. Till signing of agreement, the Quotation together with the acceptance letter shall constitute a binding contract between the Quotationer and Cochin Port.
23. The Contractor shall comply with all the provisions of the Indian Workmen's Compensations Act, Public Liability Policy, Provident Fund Regulations, Employees Provident Fund and ESI Act etc. amended from time to time and rules

framed there under and other laws affecting the Contract labour that may be brought in to force from time to time.

24. The Contractor shall be registered under EPF and ESI act and the employees employed under them shall be covered in the EPF and ESI Scheme, if required as per applicable rules. The Contractors shall regularly remit, the Employer & Employee contribution to the authorities in such cases. If not, the Dept. would be required to remit the same and the amount so remitted shall be deducted from the part/ final bill of Contractors.

**SIGNATURE OF QUOTATIONER.**

## **II. GENERAL DESCRIPTION AND SPECIAL CONDITIONS OF CONTRACT**

1. The work consists of Anti mosquito operation in W/Island by spraying Lambda Cyhalothrin 10% W.P. for a period of 6 months (December to April & September). Operations using contractors own equipments, power sprayer, labour and material.
2. The Contractor has to engage a **minimum of 3 workmen on each working day at 8.00 A.M** for spraying chemical in the Port area as specified in the **table "A"** or as specified by the Engineer-in-Charge.
3. The area to be sprayed is once in two week at location specified in **table 'A'** except Sundays in rotation. **Each labour shall spray the chemicals from 8.00A.M to 4.00P.M. The minimum quantity of the chemicals to be sprayed by each day shall be 1.5Kg @ (12.5 gm / litre).** The spraying shall be carried out on rotation basis and the beginning place will be sprayed again on the 14<sup>th</sup> day of operation and so on.
4. The repair and maintenance of the power sprayer during the contract period shall be done by the Contractor at his own cost and no extra payment will be paid to the Contractor on this account.
5. The Contractor shall be used a minimum of three workmen daily and two power sprayer daily for spraying 1.5Kg chemical.
6. If the work of labours is hindered due to the malfunctioning / damage of the sprayer the same shall be repaired and used by the Contractor immediately.
7. The chemicals shall be Lambda Cyhalothrin concentrate or equivalent etc. with required proportion as directed by the sanitary Office at W/Island for each day work every day.
8. If the work is to be stopped by the department during contract period due to heavy rain or some other reasons, the department will intimate the Contractor or his supervisor one day in advance and the Contractor shall stop the supply of labours during this required period and no payment will be made to the Contractor for this period. However the Contractor shall supply the labours for a total period of 6 months. The Engineer-in-Charge reserves the right to terminate the contract at any time without further notice.
9. Careless handling/spraying of these chemicals is dangerous to the human beings. The Contractor shall make his labours aware of these chemicals and its danger. The masks, gloves etc. if found required for the work shall be provided by the Contractor at his own cost. Contractor shall have no claim from the department for the accidents/poisoning for his workers or the public and the compensation if any shall be provided by the Contractor at his own cost. Settling any disputes with the contractor's labourers shall be Contractor's responsibility.

10. The work shall be done as per the directions and satisfaction of the Engineer-in-Charge or his representative.
11. If the repairs of the sprayer are found of major nature and the Contractor is unable to repair the same within the same day, no payment will be made for short supply of sprayers.
