Tender No. F2/T-21/ Q8 & Q9/ RMU & Shore supply/ 2021-M

Dt: 10/08/2021

E-TENDER NOTICE

Electronic Tenders (e-tenders) in **Single Stage Two Cover** bidding procedure [Technical Bid and Price Bid] **on percentage basis** are invited by the Chief Mechanical Engineer, Cochin Port Trust, Cochin-682 009, for the work of **“Replacement of old/ damaged panels with new 11KV RMU and LT panels at Q9 Substation and SITC of shore supply Points at Q8/Q9 Berth at Willingdon Island”**.

1. MINIMUM QUALIFICATION CRITERIA (MQC)

Tenderer must fulfill the following minimum qualifying criteria to prove the techno-commercial competence and submit the documents in support thereof:

i. Experience

The tenderer should have executed **“HT Electrical works”** as detailed below, to their Clients during the last 7 (seven) years ending **31/07/2021**;

- (a) One contract work costing not less than **Rs.25,57,400/- OR**
- (b) Two contract works, each costing not less than **Rs.15,98,400/- OR**
- (c) Three contract works, each costing not less than **Rs.12,78,700/-**

This may be furnished in the Proforma in ‘Annexure-4’ of the tender document. Also **submit copy of PO/ Work order and Completion Certificate issued by the Client for those previous experiences mentioned in ‘Annexure-4’**. The previous experience carried out by the tenderer as subcontract to the main contractor will also be accepted.

ii. Financial Turnover

Average annual financial turnover should be at least **Rs.9,59,000/-** during the last three (3) years, ending 31st March 2020 [2017-'18, 2018-19, 2019-20]. This may be furnished in the Proforma in ‘Annexure-5’ of the tender document and also proof of annual turnover duly certified by Chartered Accountant and audited financial statements for the last three years ending 2020 shall be furnished.

iii. License

The bidder should possess valid **‘A Class’** Electrical Contract License issued by any State/ Central Licensing Authority or they should have carried out HT Electrical works through a Contractor having valid **‘A Class’** Electrical Contract License issued by any State/ Central Licensing Authority, with whom they have a tie-up/Agreement/ MOU. The tenderer shall furnish an Agreement for having tie-up with the **A Class** License holder for this tender, in case if the tenderer is not possessing A Class License. A copy of valid A Class License shall also be furnished.

Explanatory Notes:

Note 1: Following enhancement factors will be used for the costs of works executed for bringing the financial figures to a common base value in respect of the works completed in past years.

Table 1.1

Year before	Multiplying factor
One year [2020]	1.07
Two years [2019]	1.14
Three years [2018]	1.21
Four years [2017]	1.28
Five years [2016]	1.35
Six years [2015]	1.42

Note 2: Experience certificates of works executed in private sectors/ organizations shall be considered for qualification, only on submission of TDS certificate along with work order and completion certificate.

Note 3: Performance/ completion certificate from the client shall be submitted in support of the assignments/ works performed and claimed by the tenderer to fulfill the eligibility criteria for qualification. The completion certificate/ performance certificate shall contain the work order no, work order value, completed cost of work and completion date.

Note 4: A statement duly certified by the Chartered Accountant showing the average annual Financial Turnover during the last three financial years and audited financial statements for the last three years ending 2019-20 shall be submitted.

2. Eventhough the tenderers meet the above qualifying criteria, they will be disqualified if they have:

- (i) Made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and/ or
- (ii) Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history or financial failures etc.
