दिनांक/ Dated: - 15/04/2025

NOTICE INVITING BUDGETARY INQUIRY

Cochin Port is in the process of preparing the detailed estimate for inviting bids for Geotechnical investigation for preparation of feasibility report for the Development of Outer Harbour on the western coastal area at Puthuvyppeen. 14 Numbers of bore holes are proposed in marine condition having water depth of approximately 3.50m to 14.50m above the sea bed level. One bore hole location is at the land side. The General Arrangements Drawing including location sketch with Easting and Northing of bore holes is attached as Annexure-I.

Bidders are requested to furnish the Budgetary Rates for carrying out Geotechnical investigation as per the items of Annexure-II attached for field investigations which include taking bore hole data and conducting laboratory tests on soil / water samples. Budgetary offers may be sent through email to ce@cochinport.gov.in & sinymathew@cochinport.gov.in on or before 17:00 hours, 21st April 2025. The bidder is responsible for arranging all necessary equipments, men and materials including transportation, to the location from main land / Island. The offered rates shall be inclusive of all taxes and excluding GST and also considering the statutory / mandatory recoveries such as initial security deposit 5%, retention amount of 5% from bills, income tax etc.

The Bidders may note that the rates are invited only for estimate purpose. Cochin Port is not bound to award the work to any Bidder based on the budgetary rates submitted. Cochin Port Authority will not be liable for any financial obligations to the Bidders in connection with the preparation of his budgetary rates.

Encl: Annexure-I & II
