Press Release

Special Campaign 2.0 in Cochin Port

As part of Special Campaign 2.0 launched by Government of India, with a view to improve overall cleanliness of Government offices by removing redundant scrap material and obsolete items and enhancing work place experience, Cochin Port Authority carried out extensive cleaning at work places and public places during 2nd to 31st **October 2022**. 15527 official records, including files, were reviewed and 8642 records/files were weeded out and 12502 sqft of storage space freed up. 50 tonnes of unusable items/scrap items were auctioned and earned a revenue of Rs. 17.38 lakhs during the period.

Nine special cleaning campaigns and one awareness programme were conducted by the departments of the Port during the period. 2 km long Cochin Port Walkway was spruced up and 35000 sqft area of public space was cleaned as part of the campaign. Apart from this, 65 truckloads of garbage were cleared from Cochin Fisheries Harbour in a 8 day long cleaning drive held there.
